Prog.	Function	Prog.	Function
1	All color wave forward direction	44	Change color red-yellow-red forward direction
2	All color wave backward direction	45	Change color red-yellow-red backward direction
3	All color draw curtain by waving	46	Change color red-yellow-red draw curtain
4	All color lower curtain by waving	47	Change color red-yellow-red lower curtain
5	Three color wave by wave forward direction	48	Change color red-green-red forward direction
6	Three color wave by wave backward direction	49	Change color red-green-red backward direction
7	Three color wave curtain waving by waving	50	Change color red-green-red draw curtain
8	Three color lower curtain waving by waving	51	Change color red-green-red lower curtain
9	Many color wave forward direction	52	Change color red-blue-red forward direction
10	Many color wave backward direction	53	Change color red-blue-red backward direction
11	Many color wave draw curtain	54	Change color red-blue-red draw curtain
12	Many color wave lower curtain	55	Change color red-blue-red lower curtain
13	Six color trail forward direction	56	Change color green-cyan-green forward direction
14	Six color trail backward direction	57	Change color green-cyan-green backward direction
15	Six color trail draw curtain	58	Change color green-cyan-green draw curtain
16	Six color trail lower curtain	59	Change color green-cyan-green lower curtain
17	Three base color trail forward direction	60	Change color green-blue-green forward direction
18	Three base color trail backward direction	61	Change color green-blue-green backward direction
19	Three base color trail draw curtain	62	Change color green-blue-green draw curtain
20	Three base color trail lower curtain	63	Change color green-blue-green lower curtain
21	Six color jumpy change	64	Change color red-white-red forward direction
22	Three base color jumpy change	65	Change color red-white-red backward direction
23	Three mixing color jumpy change	66	Change color red-white-red draw curtain
24	Six color jumpy change forward direction	67	Change color red-white-red lower direction
25	Six color jumpy change backward direction	68	Change color green-white-green forward direction
26	Six color jumpy change draw curtain	69	Change color green-white-green backward direction
27	Six color jumpy change lower curtain	70	Change color green-white-green draw curtain
28	Three base color jumpy change forward direction	71	Change color green-white-green lower direction
29	Three base color jumpy change backward direction	72	Change color blue-white-blue forward direction
30	Three base color jumpy change draw curtain	73	Change color blue-white-blue backward direction
31	Three base color jumpy change lower curtain	74	Change color blue-white-blue draw curtain
32	Six color brush forward direction	75	Change color blue-white-blue lower curtain
33	Six color brush backward direction	76	Six color fade in and fade out forward direction
34	Three base color brush forward direction	77	Six color fade in and fade out backward direction
35	Three base color brush backward direction	78	Six color fade in and fade out draw curtain
36	Six color brush draw curtain	79	Six color fade in and fade out lower curtain
37	Six color brush lower curtain	80	Three base color fade in and fade out forward
38	Three base color brush draw curtain	81	Three base color fade in and fade out backward
39	Three base color brush lower curtain	82	Three base color fade in and fade out draw curtain
40	Change color red-purple-red forward direction	83	Three base color fade in and fade out lower curtain
41	Change color red-purple-red backward direction		
42	Change color red-purple-red draw curtain		
43	Change color red-purple-red lower curtain
